Respects in Which They Are of Opposite Extremes in Evolution.

The white and the black races are anti-
posed also in mental habits. The one

the other a larger region behind; the one subjective, the other objective; the one a great reasoner, the other pre-eminently emotional; the one diminishing, but having great self-cont. d. the other meek and submissive, but violent and

grouped: to one a very advanced race, the other a very backward one. The Caucasian and the negro are fundamentally opposite extremes in evolution.
